

MICHELANGELO'S SISTINE CHAPEL: THE EXHIBITION

Rome, Italy comes to the Christ Cathedral campus in Orange County, California, now through January 11, 2020.

"Michelangelo's Sistine Chapel: The Exhibition" recreates the awe and wonder of arguably one of mankind's greatest artistic achievements while allowing its visitors to experience this art from a new perspective.

DETAILS

Michelangelo's magnificent ceiling paintings from the Sistine Chapel have been reproduced using state-of-the-art technology. To allow observers to fully engage and comprehend the artwork, the paintings have been reproduced in their original sizes. The overwhelming impression for the observer will be the dimensions of the art. Thanks to this internationally acclaimed exhibit, visitors can explore the artwork up-close and personal – from a distance impossible to achieve in the Sistine Chapel itself.

While viewing the iconic master's 34 frescos that adorn the Sistine Chapel ceiling in the Vatican, guests can enhance their experience by adding an optional self-guided audio narrative available in four languages. It's a perfect experience for those who have never been to Rome and want to see the art work AND for those who have been to the Sistine Chapel and want a closer look and to learn more about each fresco.
